RIPLEY, TENN.

Convention of the Lauderdale County Democracy.

RIPLEY, TENN., September 6 .- A large and representative convention of the Democracy of Lauderdale county assembled here on Saturday, the 4th instant. There were seen the most gratifying evidences of the harmon-ious feeling, and of determination to win in the ensuing campaign by in-creased majorities.

The indorsement given to our fellow citizen, the Hon. P. T. Glass, the present Representative in Congress from the Ninth District, was emphatic and enthusiastic. By a unanimous vote of the convention he was declared to be the first choice of this clared to be the first choice of this county for the Brownsville nomination, and the large delegation chosen to represent this county in the conven-tion which will meet there on Wednesday pext, are instructed to use every honorable means to secure his renomination. Mr. Glass, since he entered Con-

grees, has grown immensely on the Democracy of this district, and is 50c. 75c and \$1 per day; American Plan. now universally esteemed one of the most able and useful members of Congre s from the Southern States. With out the slightest d sposition to disparage the merits of other aspirants, we yet hope that our convention may see and appreciate the wisdom of keeping Mr. Glass in this position. We cannot

afford to give him up.

Our County Convention made a
most excellent selection of a candidate for Representative in the State Legis-lature—the Hon. Cha. S. O. Rice, a most estimable and intelligent gentleman, of thorough loyalty to the party, and having the advantage of a term in the Legislature some years ago.
Altogether, we find that we did a good day's work on Saturday, and are now full ready for the serious work of
